We hereby confirm, that the cosmetic products mentioned above have been tested for health safety at the National Institute of Public Health. They were found to be safe for human health when coming in contact with the human skin under usual or reasonably foreseeable conditions of use.

Their marketing was notified at the Ministry of Health of the Czech Republic.

They fulfil the health safety requirements laid down in the valid legislation for cosmetics in the Czech Republic and the EU, i.e. Act. No. 258/2000 Coll. and Decree No. 26/2001 Coll. in the Czech Republic and Directive No. 76/768/EEC in the EU countries.

The cosmetic products are permitted to be placed on the free market in the Czech Republic and there are not known any objections to their export.
